THE ORGANIZERS

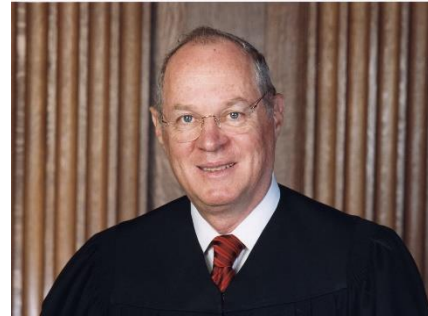

“A world ruled by law, and not by force” has been the [World Jurist Association](#)’s mission since its founding in 1963. A non-governmental organization in **special consultative status with the United Nations ECOSOC**, the [WJA](#) was created as free and open forum for judges, lawyers, law professors, students, and other professionals from around the world to cooperate in strengthening the Rule of Law and its institutions. Amongst its main activities are the biennial World Law Congress and the presentation of recognitions to distinguished personalities and institutions worldwide.

As a result of the Madrid Declaration 2019, the **World Law Foundation** was created as the executive arm to carry out the main activities of the World Jurist Association. Its [Board of Trustees](#) and the Advisory Board are composed of prominent jurists and professionals, including former presidents and prime ministers, chief justices, directors of prestigious institutions, lawyers, academics, and businesspeople.

WJA TRIBUTE TO ANTHONY KENNEDY

On March 4-5, 2024, the WJA will host the **WJA TRIBUTE TO ANTHONY KENNEDY** (1936), Senior Justice of the Supreme Court of the United States. The session will take place at the **Rule of Law Digital Center Madrid**, headquarters of the World Law Foundation.

The program includes several panels of discussions around the Rule of Law: “Independence of the Judiciary and the Rule of Law”, “Religions for Peace: Advocating for Moderated & Free Practice” and “The Rule of Law & Legal Certainty in Current Democracies”. The event will close with the awarding of the WJA Medal of Honor to Justice **ANTHONY KENNEDY**.

Throughout his career, Kennedy served as lawyer, National Army Guard, Professor of Constitutional Law at the McGeorge School of Law, University of the Pacific, and justice from 1975 to 2018. In his legal career he has been a member of the board of the Federal Judicial Center from 1987–1988, and two committees of the Judicial Conference of the United States: the Advisory Panel on Financial Disclosure Reports and Judicial Activities, subsequently renamed the Advisory Committee on Codes of Conduct, from 1979–1987, and the Committee on Pacific Territories from 1979–1990, which he chaired from 1982–1990. He was appointed to the United States Court of Appeals for the Ninth Circuit in 1975. Later, President Reagan nominated him as an Associate Justice of the Supreme Court, and he took his seat February 18, 1988. Justice Kennedy retired from the Supreme Court on July 31, 2018.

At the US Supreme Court, Justice Kennedy did not subscribe to a particular judicial philosophy; instead, his approach grounded in concerns for personal liberty and freedom from government interference, promoting the WJA’s idea that law is above any political preference. He emphasized on the structural protection of the Constitution, including the separation of powers as “defense against tyranny”, authoring or joining Court opinions that invalidated on separation-of-powers grounds intrusions on the executive, legislative, or judicial functions.

The **WJA MEDALS OF HONOR** are conferred to world personalities and institutions who have distinguished for their commitment to the promotion of peace through law and the rule of law as a guarantor of freedom.
